## **BLACKBONE 4** Caryn Lee

Ciara and Smooth try to rekindle their love that they shared once upon a time. Smooth fights hard to prove that he's a changed man, although he still has a confession that he must reveal. Kanye cares deeply for Ciara and is looking out for her heart. He knows that Smooth isn't taking care of home but doesn't want to seem like a hater, so he allows Ciara to make her own decisions. Ciara is confused and really wants her marriage to work but she also wants real love and happiness.

Kayla is still crazy in love with Smooth. Smooth has cut off all lines of communication with her because he's working on trying to get his family back together. With the help of Aaliyah on the outside, Kayla is aware of everything that is going on. Revenge is the only thing that is on Kayla's mind once she's released. The biggest instigator Aaliyah keeps up so much mess that it backfires on her. She now has relationship problems of her own that she has to face.

Kelly and Anthony are so in love that no one can tear them apart. That was until Anthony's mother Marilyn pops out of no where and comes back into his life. Kelly accepts her from a distance, but wants to know what is Marilyn's motive for showing up after all these years. Meanwhile, Ebony is still up to her trifling ways. She now has her hands on Tommy and his stash. Once his woman, Tia, finds out things get out of hand and blood will be shed.
