## **Her Secret Millionaire** Cat Schield

When the handsome, down-to-his-last dollar cowboy who sweeps you off your feet turns out to be a millionaire, most girls would be thrilled. Not Jaime Burnett. Negative experiences with the rich guys her mother frequently pushes at her have left her feeling less than perfect.

For Cody Montgomery it was supposed to be a quick casual fling. A couple weeks of fun and he'd move on. But he underestimated how much he liked being with a woman who didn't look at him with dollar signs in her eyes. And when his deception blows up in his face, the only way he knows to get back in Jaime's good graces is to shower her with the one thing she isn't interested in: his money.
