This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.

**Wm Mills:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the

library or make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Poverty and patriotism of the neutral grounds; a paper read before the Westchester County historical society upon the one hundred and twenty-third anniversary of the battle of White Plains can make you really feel more interested to read.
