The Fourtold - Part 1 - Preparing for Destiny: The Prophecies Fulfilled by John Lennon, Muhammad Ali, Timothy Leary and Charles Manson (Volume 1) Paul Andrew

Set against the backdrop of the social and political upheaval of the 1960's, this is the story of how four of the most famous people who ever lived changed the world forever, and in doing so, fulfilled hundreds of ancient prophecies before our very eyes. The Fourtold is an imagining, an imagining that someone has come to the world to bring people together under the banner of peace. His name was John Lennon, and, together with Muhammad Ali, Timothy Leary and Charles Manson, he fulfilled his destiny and the Creator's Eternal Plan. The book imagines that John Lennon is the long-awaited Messiah, Muhammad Ali is the Mahdi, Timothy Leary is the Messenger and Charles Manson is the Antichrist. The story begins in Germany, where a ruthless dictator named Adolf Hitler comes to power. As he takes over Europe, millions of people pray for salvation. Almost as one voice they pray for the Messiah to come. In 1940 their prayers are answered. A baby named John Lennon is born, and over the next twenty years, he prepares for his mission by working toward obtaining the fame he will need more than anything else in order to spread his message – the message of love and peace. At the very peak of his success he meets a man who will help him with his quest, a boxer named Cassius Clay. Clay has also been working toward gaining fame so he can spread his own message – the message of equal rights. Days after their meeting, Clay changes his name to Muhammad Ali and begins to tell the world about his beliefs. Separately and together these two powerful people work toward their ultimate goals. Help arrives in the form of a Harvard professor named Timothy Leary, who has a secret weapon that will be able to spread the message of peace more quickly than anything else ever, a drug that has the capability to change people's mindset from hate to love. Leary begins a program of introducing this drug to everyone he can, and one of the people he introduces it to is a man who is evil, a man who wants to use the drug for the absolute opposite purpose of what it was intended for, a man named Charles Manson... From World War II to the Vietnam War and the Civil Rights Movement, this story will take you on a journey through the 20th century in a way you have never experienced before, and after reading it, you will not be the same. *This is Part 1 of 'The Fourtold'.
