The Quest for the Three Keys Deke Rivers

During WWII, many German Generals traded and sold Stolen Works of Art to Private Art Collectors around the world and made small fortunes for themselves. One General simply known as "Herr General" did the same, but he knew he would not survive the War, so he hid his stolen Art in two inconspicuous locations and secured his money and wealth in a Swiss Bank Account. Herr General then prepared a written manuscript in three languages and secured it in a leather-bound portfolio. The Portfolio was in fact a written treasure map leading one to the stolen art and wealth that he had accumulated. Years after the war, the portfolio surfaces, and then the scramble begins. This story is that Quest for Herr General's Art and Treasures based on his portfolio.
