A Short History of the Movies (7th Edition) Gerald Mast, Bruce F. Kawin

The seventh edition of A Short History of the Movies continues the tradition that has made it the most widely used textbook ever for college courses in film history. This volume offers students a panoramic overview of the worldwide development of film, from the early Mack Sennett and Charlie Chaplin shorts, through the studio heyday of the 1930s and 1940s and the "Hollywood Renaissance" of the 1960s and 1970s, to the pictures and their technology appearing in the multiplexes and sound palaces of today. This new edition, which has been revised and rewritten to reflect current scholarship and recent industry developments, and new films and filmmakers, represents an accurate, scrupulous updating of a classic.
