Have you ever had one of those days when everything goes right, everyone smiles and waves, and everywhere you look, the sun is shining and the world is perfect? Yeah, me neither. But, instead of complaining, I knew it'd be more fun to write about everything that goes wrong, everyone who throws me off course, and everything I stumble over on my way from here to there. Because honestly, it's all pretty funny when you think about it. And I think about it ... a lot. --- The author of *Head in the Sand ... and other unpopular positions* is back with more observational humor! No one is safe. She's a proofreader by trade, and her attention to detail means she's always finding things wrong with the world. Enjoy the ride ... but watch out for that fork in the road!
