Love doesn't stand a chance against unforgiving lust! "Chris grabbed the back of my head and slowly shoved his dick inside of my mouth, as saliva dropped down from his dick and into the floor. My pussy instantly foamed from the lips." Sex is not just a routine but rather an adventure that, when taken with the right person, can unleash things from within you never knew nothing about. You'd be surprised at what a walk on the wild side withholds. This book explores and even pushes not only the sexual comfort zone but also sex outside the bedroom.
