Josie and her best friend, Brad, are next in line at Greenville's famous pastrami-sandwich-producing hotspot--Danny's Deli. Their highly anticipated lunch break turns stale when employee Gordy Fitzgerald's body is found in the freezer.

Word soon surfaces that Gordy had been stabbed shortly before being found--and the weapon is missing. Locals are devastated by the discovery, and the amount of speculation on the killer's identity is far greater than the holes on a block of Swiss cheese.

Who killed the beloved sandwich wizard?

Josie's untamed curiosity is determined to answer just that.

Along the way, she has a few tasks at hand: maintaining a blog, coming to terms with her feelings for Tony, and keeping up with the shenanigans of her corgi, Petey.

All this, and finding a killer.

Shouldn't be too hard. Living in a small town like Greenville, there's no place anyone can hide.

Not even a murderer...*right?*
