Tamara is a **big, beautiful black woman** who works as a personal assistant to her rich **white alpha boss**. When a surprise blizzard strands them on a business trip, they're forced to share the last room in the only hotel they could find with space left. And it's small. With only one bed.

But when Tamara wakes in the middle of the night, she sees her boss on the floor, doing something very private that shocks her **innocent** mind but arouses her **untouched** body!

Now all she can think about is how **big** her boss is, and the next night finds herself inviting him to share the small little bed. But her boss is going to want something a lot more precious than sleep. And he's going to take it **hard, fast and without protection!**
