Until Morning Comes: A Carlie Simmons Post-Apocalyptic Thriller (The Carlie Simmons Post-Apocalyptic Thrillers) JT Sawyer

Until Morning Comes, Volume 1 Secret Service Agent Carlie Simmons began her day surrounded by trusted colleagues in an inter-agency shooting competition in Tucson. It ended with a staggering body count as the world around her unraveled from a deadly virus. With her mission to extract the President's daughter from the University of Arizona gone awry, she must choose between her sworn duties and her moral obligations to others as the city is overtaken by roving packs of flesh-eating mutants. If she and her small group are to survive the night and find a way out of the ravaged city, she will have to summon all of her training, mental prowess, and tactical abilities. In Too Deep, Volume 2 After narrowly escaping from the undead hordes in Tucson with the president's daughter and her small band of survivors, Secret Service Agent Carlie Simmons is finally headed to safety in New Mexico. As new information emerges on the global pandemic, she and her team of operators have to leave their secure military facility to track down the origins of the virus before more people die. Crossing the country and international waters while plagued by the growing menace of flesh-eating zombies, Carlie finds herself in a race against time on a mission that exposes a secret experiment borne from the Cold War. But the greatest danger may not come from the emerging legions of putrescent creatures as tension within her group threatens to undermine her leadership. The Way Back, Volume 3 Carlie, along with Shane, Jared, and the rest of her eclectic group endure a nightmarish struggle to survive in the Caribbean on a grueling trek that will test their fortitude, battling zombies and hostile bands of humans along the way. Eliza Huntington, the president's daughter, has her own harrowing journey to make after Air Force One goes down in Idaho and she is forced to adapt in ways she never imagined. Eventually the fates of both parties intertwine in an explosive battle where tactics and firepower may not be enough to defeat the unspeakable horrors that await them.
