Harriet Lane

Alys, Always: A Novel Harriet Lane

From the author of *Her*, a suspenseful, assured literary debut that explores the dark side of desire and ambition through one woman's unlikely entry into an elite world and a destiny of her own design.

On a bitter winter's night, Frances Thorpe comes upon the aftermath of a car crash and, while comforting the dying driver, Alys Kyte, hears her final words. The wife of a celebrated novelist, Alys moved in rarefied circles, and when Frances agrees to meet the bereaved family, she glimpses a world entirely foreign to her: cultured, wealthy, and privileged. While slowly forging a friendship with Alys's carelessly charismatic daughter, Frances finds her own life takes a dramatic turn, propelling her from an anonymous existence as an assistant editor for the books section of a newspaper to the dizzying heights of literary society.

With her unforgettable protagonist, author Harriet Lane draws readers into a tightly paced tale that careens towards an audacious ending. Transfixing, insightful, and unsettling, *Alys, Always* drops us into the mind of an enigmatic young woman whose perspective on a glamorous world also shines a light on those on the outside who would risk all to become part of it.
