Day Dream Michael Jay Roberts

Michael starts out as a daydreamer at young age by a one true-life event that nearly cost him his life. He truly thinks in his mind that he was saved by an Angel. Michael was told a folk lore that also made him see a bad side to the world. This would change his life forever. One young girls affection for passion for Michael stays with him through the toughest challenges, which will guide him over the hardest mountains that any person might not endure. Little Kelly Lynn stays by Michael's side, physically, mentally, and spiritually to guide his soul to happiness. Michael will have you experience and follow his life through his eyes as the way he actually seen it. The daydreaming state of mind will show you his life events all the way to Michael's adult life events. Day Dreamer is a work of fictional names blended in with only Michael's true life events. Names, places, and incidences are from the author's daydreaming state of mind. Any resemblance to actual events, locales, or persons, living or dead, is entirely coincidental.
