Taken: The Taming of Dark Fay, Episode 2

Alice Blythe

Taken: The Taming of Dark Fay, Episode 2 Alice Blythe

In this second short story installment, Mae further explores her new, non-vanilla ways, reveling over how Simon unleashes a primal side within her. Having spent more time with her mystery man, she's realizing Simon isn't from her small town. But she has no idea just how far from home he is.

As Simon battles the dragon's animal instincts and his father's harsh expectations, he can't deny the intense pull Mae has over him. He's not used to being dominated by such power and he doesn't know whether to fight it or surrender. But he's leaning toward the former which terrifies him.

While Simon battles his own demons, Mae works to uncover who her mystery man truly is in episode 2 of this super sexy romance series featuring Mae and her brooding, alpha lover Simon.

From Episode 1:

Twenty-four year old librarian, Mae James, just got dumped by her longtime boyfriend. His reasoning? She's too 'vanilla'...in bed and in life.

Mae's desire to take a risk leads her into the arms of an alluring stranger named Simon. She's swept up in Simon's dark eyes, his beyond-this-world body, his bad-boy tattoos, and mysterious ways. He stirs a desire deep within her she didn't know existed - everything her minister father warned her to avoid.

Mae's all grown up now, ready to take some risks, and Simon is the perfect mistake.

But some mistakes can be deadly. Mae will soon find out Simon is heir to Dark Fay, soon to be alpha of his predator faerie species. His deadliest secret? He's a shapeshifter and the dragon he shares his body with can be...unpredictable.
