The Scriptures say that God established wonders in the land of Egypt. When was the Great Pyramid built? Who was the builders? Why was it built? These are questions that continue to be debated by archaeologists, astronomers, other scientists, and historians. The noted historian Josephus wrote that the Great Pyramid was built by the descendants of Syth, before the flood, to record the knowledge of the heavens. As brought out by the author, there is evidence that the Great Pyramid also incorporates a prophetic timetable for coming events, including the coming Tribulation and the return of Jesus Christ. With Words and pictures, Noah Hutchings take the reader on an exciting tour of the Great Pyramid of Cheops, and many other wonders, including the sphinx, Memphis, Sakkara, Luxor and Karnak.
