The Rise of China: Essays on the Future Competition Gary Schmitt

With its expanding economy and formidable military growth, China is positioning itself to challenge the United States as the greatest international power on the world stage. The Rise of China is a collection of essays about the nature of that challenge and what the U.S. and its allies might do in the areas of foreign and defense affairs to meet it. Contributing authors include Dan Blumenthal, Ellen Bork, Nicholas Eberstadt, Robert Kagan and more.
