Years ago Van Marshall, lead singer and guitarist of the metal band Bleeding Passion, let the love of his life get away because he lacked the courage to tell her how he felt about her. He has been plagued by the memory of her ever since then, unable to fully commit to another because of the love he still held for her in his heart. Now, she is thrown unexpectedly back into his life, bringing with her all of the feelings he has hidden inside for so long.

Because of a brutal assault, Kat Vauss hates men and trusts no one. She is a martial arts expert and devotes all of her time to her work and her training. The only person to ever come close to her heart was a shy, awkward boy she knew in high school who she thinks is gone forever.

When Kat is given an assignment to shoot a DVD for Bleeding Passion, she is not prepared for the way her body and heart react to the sensual singer, who coincidentally helped her out of a sticky situation some years before. His presence stirs to life dormant feelings inside of her, but will he show her that not all men are evil and life can still be beautiful and worth living?
