Something is killing innocent people around Rylie Gresham's town. The police think it's a wild animal, but she has other suspicions. There are new kids at school, and they have a lot in common with her: gold eyes, super strength, and a habit of turning furry. It seems Rylie's not the only werewolf around anymore.

It's up to Rylie and her werewolf-hunting boyfriend, Seth, to stop the killings. But saving lives doesn't come naturally to a monster, and territory battles could risk the life of her sickly aunt--not to mention her own. Rylie has no choice but to stand her ground, protect her home, and stop the murderers before anyone else gets hurt.

LONG NIGHT MOON is a dark fantasy novel for young adult readers who enjoy a splash of horror with their paranormal romance.
