Mein Kampf ("My Struggle") is an autobiographical manifesto by the National Socialist leader Adolf Hitler, in which he outlines his political ideology and future plans for Germany. Volume 1 of Mein Kampf was published in 1925 and Volume 2 in 1926. The book was edited by Hitler's deputy Rudolf Hess. Hitler began dictating the book to Hess while imprisoned for what he considered to be "political crimes" following his failed Putsch in Munich in November 1923. Although Hitler received many visitors initially, he soon devoted himself entirely to the book. As he continued, Hitler realized that it would have to be a two-volume work, with the first volume scheduled for release in early 1925.
