## **Roadie: A True Story (at least the parts I remember)** Karl Kuenning

Once upon a lifetime ago, I was a "roadie" (a sound and lighting technician) and had the unique experience of working with rock stars, jazz performers, Disco and R&B artists from around the world. My behind the scenes stories contained in this book are all true. Some of the stories are exciting, with high drama, and unexpected plot twists. Other stories are very sad, oddly bizarre, or even incredibly ironic. Mixed in, on almost every page, is a large dose of humor to keep the reading light. Grab your backstage pass and hop on the tour bus, the show is about to start!
