Her Bearing –BBW Werebear Romance

When Cara Hawthorne goes into the Alaskan wilds to finish her late husband's nature documentary, the last thing she expects is to fall in love with a strange man she finds injured in the forest. Having just woken from a near-death grizzly bear encounter, Cara tries to help the man by taking him back to her tent.

While trying to healing the man's wounds, she can't help but gawk at his perfectly muscular body. It's not her fault that the man was nude when she found him—but the half-conscious man's muscles and skin are just begging Cara to cleanse them.

Cara gives into her temptations with the acceptance of the man, who introduces himself as Garth. After their brief time together, Cara's camp is attacked by the grizzlies from earlier, and Garth must protect her yet again. What was supposed to be a casual rescue mission on Garth's behalf turns into a romantic liaison that will challenge him to reclaim his title as king of the forest.

The Moonlit Guardians-Menage Werebear Romance

Two brothers, Andre and Paul, a pair of werebears, travel to the Alaskan wilderness so that Andre can better learn to control his transformation. The brothers live in Olympia, Washington, working as architects. Both brothers are surprised to find out that Andy, who is only half-werebear, inherited the transformative power. Throughout the journey, Andre learns to control his power and starts to feel more at home in nature than he ever did at the office. Andy must decide if he wants to stay in the woods or go back to his life in Olympia. Paul tries to convince Andy to return home and runs into an old flame, a werewolf named Amelia. Amelia seduces both brothers, and Paul discovers it may have been a distraction so that her brother, Corion, could wage war on other werebears in North America. Will Paul and Andre stay with Amelia or join the werebears and attack the werewolves?

Quarterback Dances –BWM Football and Werebear Romance

Rosalina Parks is a great dancer; some would even say an amazing dancer. However, for the past five months

she's been stuck in a dead end relationship and hesitant to get out of it. Awkward social situations just aren't her forte. When her friend comes to her with proof that her boyfriend is cheating on her, all bets are off.

Enter Owen Marshal, a star football quarterback slash bear shifter in a serious rut. His team barely made it to the Superbowl and it was mostly his fault. Frankly, he's lost his drive, and everyone is suffering for it. In a desperate bid to get him back up to par, his teammates take him to a dance club. The same club Rosalina just happened to be at the right time.

With a way for them to meet, sparks fly instantly and the Superbowl seems like a lifetime away.
