Softback all-in-one Travel Itinerary Planner & Journal [\$5.50 / £3.99]

Keep all your travel plans and memories in one place with this spacious logbook. You can store four trips: one of anything up to 21 days, two up to 15 days and one up to 9 days. (It doesn't matter if your vacation is shorter; you'll just have a few spare pages.)

Each trip is split into three clear sections:

- **A Title Page** with summary boxes for each day's major activity and a large space for maps and/or memorable images.
- **A Detailed Planner** area with log boxes for the daily schedule of activities, their duration, booking status & costings. (You can calculate totals for any numerical entries, e.g. mileage, duration or budgets.) There's also a space for each evening's accommodation details. Use Amazon's 'Look Inside' facility to see examples.
- **A retrospective Travel Diary**. One full page for each day with question prompts, rankings and plenty of space for your own thoughts.

There are **five Appendices**:

- **Checklists** for preparation & general packing, plus space to build your own lists for specialist holidays.
- Maps of the **world time zones**.
- **Temperature data** for 50+ North & Central American cities, 25+ European cities and further selected major world cities.
- An emergency **travel quiz** (useful for keeping little people happy!)
- A **password and address storage area** for online bookings and general contact details.

All pages are thick white paper (55lb) to minimize ink bleed-through.

EXTERIOR:

Cover: Tough matte paperback with high resolution printed images of wood and a Dutch 17th century world map. On the back is the famous quote by St Augustine "The World is a book and those who do not travel read only one page."

Binding: Secure professional trade paperback binding, i.e. it's built to last; pages won't fall out after a few months of use.
