## **Dinosaurs: In Your Face!** Dr. Robert T. Bakker

Renowned paleontologist Dr. Robert T. Bakker and paleoartist Luis V. Rey combine forces in this hardcover omnibus of three impeccably accurate, dino-centric Picturebacks, available for the first time in 3-D! The dynamic dinos in *Dinosaurs!*, *Prehistoric Monsters!*, and *Dino Babies!* have always *looked* like they could jump off the printed page--and now they literally *can!* Watch as a spiked *Stegosaurus* tail whips off the page and scores a direct hit into an allosaurus (ouch!), or a pack of raptors leap onto the back of an unsuspecting tenontosaurus (uh-oh), or a squealing baby titanosaur hatches from an egg and is greeted by its giant mother (awww . . .). Complete with a sturdy pair of 3-D glasses that fold into a reusable storage case, *Dinosaurs: In Your Face!* makes a perfect gift for kids who like their science to come with a little action!
