Mexico Set (The Samson Series) Len Deighton

The exhilarating second book in the *Game, Set, Match* series has Bernard Samson racing around the globe laying the groundwork for KGB major Erich Stinnes to defect to London Intelligence. Samson has a lot to prove in the way of loyalty after his wife's defection to the KGB, and her help in convincing Stinnes to side with the West would be a big step in the right direction. But Bernard risks being entangled in a web of old loyalties and betrayals, murder, suicide, and office politics as he tries to negotiate this maneuver. The further he goes, the more events spin out of his control--and he finds himself caught in ever more compromising positions.
