In the land of the rising sun, you have to look hard to find a person who is not kind and peaceful; even the most peaceful nations, there are dark alleys where the sun does not rise—where shadowy figures emerge full of rage and hatred...most with a thirst for revenge. In this book, you will read about 15 of Japan's most horrifying killers. Many of the people profiled in this book didn't just kill their victims—they tortured and mutilated them. Be warned: This is NOT a book for the faint at heart.
