Virgil

The Essential Aeneid (Hackett Classics) Virgil

Stanley Lombardo's deft abridgment of his 2005 translation of the Aeneid preserves the arc and weight of Virgil's epic by presenting major books in their entirety and abridged books in extended passages seamlessly fitted together with narrative bridges. W. R. Johnson's Introduction, a shortened version of his masterly Introduction to that translation, will be welcomed by both beginning and seasoned students of the *Aeneid*, and by students of Roman history, classical mythology, and Western civilization.
