Vivid visual imagery brings this classic legend to life. Told simply, in language even the youngest family members will understand, the story begins with three young trees who dream - as all children do - of doing big deeds.

When the woodcutters come, the trees each find that the reality of their existence doesn't match their dreams... and yet...

This touching story contains a simple lesson about God's Plan for *every* life, told in a way that will touch hearts. Narrated by Hal Holbrook.
