Virtual Pose 2 is the second volume in what is fast becoming the ultimate visual reference series for drawing the human figure. For the professional and student artists, it's the next best thing to working with a live model - and a convenient option for amateur artists who have no access to studio sessions. Each volume includes an interactive CD ROM with 54 full-figure poses that the artist can rotate 360 degrees around the axis. The artist also has the ability to zoom in on the pose, thus presenting the human form in a way that allows deeper understanding of shape, form and gesture. Ranging from action to classic, from standing to reclining, these carefully selected poses were designed to offer visually pleasing as well as challenging drawing subjects. Furthermore, there is a choice of male or female models to draw from, music for inspiration and drawing tutorials, making Virtual Pose 2 an invaluable tool for every artist's reference library.
