# Mastering German Vocabulary: A Thematic Approach (Mastering Vocabulary)

Veronika Schnorr, Gabriele Forst

**Mastering German Vocabulary: A Thematic Approach (Mastering Vocabulary)** Veronika Schnorr, Gabriele Forst

Unlike your average A-to-Z German/English dictionary, *Mastering German Vocabulary* presents more than 5,000 words in 41 separate categories. This arrangement allows students to understand the relationships of various words. Categories cover the human body, health and medicine, sports, culture and religion, and dozens of other subjects. Engaging example sentences help illustrate the meanings of words and also inform readers on idiomatic expressions, grammatical exceptions, and cultural and geographical information.

English-speaking readers will find help in translating those German words and phrases that may be too specialized to be found in ordinary alphabetically arranged bilingual dictionaries. Engaging line art illustrations, charts, and a comprehensive alphabetical word index enhances this volume's usefulness. A fine school supplement for language teachers, students, and language labs, and an aid for anyone who must sometimes get information from German journals and other publications.
