**"You need to keep your schoolgirl mouth shut." He hands slowly unfastened his belt buckle. "Except for when I'm using it."**

When Nevaeh fails one of the most important tests of her life, she's willing to do anything to get Professor White to raise her grade. She quickly discovers that her GPA isn't the only thing that will be rising when she submits herself to the kinky desires of her white professor.

**WARNING: This 9,400+ word story contains a luscious black woman being seduced by her kinky white professor. Oral sex, anal sex, adultery, cuckholding, and spanking are just some of the nasty things this nasty professor does to his hot, curvy student. Intended for MATURE AUDIENCES 18+ only!**

EXCERPT: "There's nothing I won't do to raise this grade." I paused, hoping he would catch my emphasis without me needing to spell it out. "Nothing."

Something in his eyes changed at that. If anything they became harder, but there was a heat in his gaze that hadn't been present a moment before. "What are you playing at, girl?" he growled.

"N-nothing," I stammered, regretting this choice, but refusing to back out. I took a breath and plunged ahead. "I'm not playing at anything, and I'm not a girl. I thought we could come to an arrangement like adults. I've caught you looking at me before."

He rose from his chair in one fluid motion and crossed the room to me. My back pressed against the cold wood door. The sound of the door locking echoed in the quiet room. I could smell the faint scent of a smoky cologne as he leaned past me to close the blinds. Then he was on me.

The door handle dug into my back as he pushed me up against the door, kissing me with a force that would leave bruises on my lips. His tongue battled with mine until I was breathless.
