Two years ago, Jack Morgan was in Rio consulting on security for the World Cup. The tournament went without a hitch. Until a man died in one of the executive hospitality suites during the final, and the autopsy showed the cause to be a rare and deadly virus. The story was kept from the media to avoid causing panic, but Jack feared that the death was no freak occurrence. Now the eyes of the world are once again turned towards Rio for the Olympic Games, and Jack is back in Brazil's beautiful capital. It's not long before he uncovers terrifying evidence that someone has set in motion a catastrophic plan. The death at the World Cup was just a warning.
