#5 - *Snow Clones*

The "Get Up'n Go Machine" has taken a wacky turn to the frozen tundra and you won't believe the wonders that await! Polar Bear Troops and a true navy seal are among the surprises that are revealed at each turn in this icy maze. Once again, our heroes have been given a very serious assignment by Mission Control: to teach these polar bears to be warm and caring even to their strange neighbors.

Through it all, there's a lesson to be learned; no matter how strange or different someone may seem, we should always treat others as we want to be treated.

And the adventures don't end here! In the next Mission Possible Adventure, your child will land on an ancient Greek Island. See what happens next in book 6, *The Trojan Rocking Horse*
