Each day, humans are exposed to an unending onslaught of negativity. It would be easy to lose hope for the future, but in the face of all this bad news, there is a beacon of hope. Within each of us, we hold the key to mankind's salvation. By altering our individual consciousness, we can collectively bring about a shift in the collective consciousness. The Golden Age: A Quantum Leap for Mankind covers the relevant topics pertaining to mankind's sustenance and growth, presenting a philosophy that seeks to bring about a positive, productive, wholesome shift for humanity. Mankind awaits its quantum leap of awareness, achieved through new ways of thinking and new ways of looking at our world. An enhanced perspective can create enhanced and improved behaviours, reinforces our self-confidence and brings about the restoration of mankind. In this guide, author Tilakasiri Simon shares encompassing, timeless messages from the Great Masters who have walked among us and the great leaders of the world. When we work together to raise humanity to a new paradigm of existence, we view life from a new perspective and experience life differently, all for the common good of humanity and its habitats, the earth's flora and fauna and the planet itself-regardless of races, religions and nationalities. All is not yet lost. We can make a difference! The future depends on us and the choices we make for ourselves, our planet and our future.
