Kitchen Poems: Poems Written After Work Daniel Joseph Magee

The Kitchen Poems were written after I came home from work...sometimes tired, but oftentimes with ideas that had been running through my head all day long...so many different topics...the colors of the day. Sometimes I was sad...othertimes joyous...but feeling very much alive...and anxious to share my thoughts... the best way I could ...through rhymes and pictures I could draw with words. This book is a view inside my head...as I was figuring things out...for myself...but wanting to share with others....hope I did a good job.
