The 2016 Prospect Digest Handbook

Joseph Werner

The 2016 Prospect Digest Handbook Joseph Werner

The definitive guide to the minor leagues, The Prospect Digest Handbook continues to provide cutting-edge, thought-provoking analysis and commentary for more than 1,000 prospects. Last year's book correctly predicted breakout seasons by Toronto's baby-faced relief assassin Roberto Osuna, the Brewers' next great shortstop Orlando Arcia, and former Division basketball player Amir Garrett, among many others – as well as cautioning readers about Joc Pederson's pit falls and the likelihood that Jose Peraza's production was going to come crashing back down to earth. The 2016 Prospect Digest Handbook ranks the Top 250 Prospects, provides in-depth analysis for each organization's Top 25 minor leaguers, lists the Biggest Breakout and Most Overrated Prospects, and a variety of articles including the newly added Revisited section, which examines past BOLD predictions.
