**The Movement: The Revolution will be Televised (The Anti-Elite Series Book 1)** Adam Weishaupt Throughout history, the Illuminati have resisted the Old World Order: the network of elite families that have directed the course of human history since the dawn of civilization. The aim of the Power Elite has always been the same – to maintain themselves in power and privilege in perpetuity, at the expense of everyone else. In the past, they used brute force to subjugate the servile masses. Now they use something far more subtle and effective: psychological manipulation. They know what buttons to push on the ordinary man and woman. They know what makes them tick, what they want and what they fear. Armed with that information, they have the opportunity to rule forever.

Can they be stopped? Yes they can. The Movement is a new organization committed to the overthrow of the Power Elite. The Movement seeks to bring true power to the people, to smash the networks of privilege, nepotism and cronyism that strangle the opportunities of ordinary people.

Discover the philosophy, aims, strategy and tactics of the Movement. Read about Pho', a hip hop visionary at the forefront of the Movement.

The Revolution WILL be televised. Will you feature in the historic pictures being beamed around the globe? Or will you watch from home in your comfy seat?
