Piper Skye is rock 'n' roll. She's party all night, sleep all day. She's get wild and be free.

Or she would be if she had the time.

And the energy.

And not being so awkward would probably help, too.

As the owner of a thriving dessert business, Piper spends her days at school and her nights elbow deep in batter and frosting. She's confident her hard work and sacrifice will pay off as long as she stays focused and sticks to the plan.

Fate, as it often does, has other ideas. Plus, a killer sense of humor.

When Piper takes her work vehicle to a custom auto garage, she finds herself with front row seats to an unexpected hot guy parade. And the tall badass with the gorgeous face, sexy stubble, and all-knowing green eyes?

He's the Grand Master of that parade.

Too bad he seems immune to the sweet, tattooed baker.

With a new group of friends and something vaguely resembling a personal life, it isn't long before Piper's plans take a giant freakin' left turn.

And they do it on the back of a Harley.

*Warning: This book is intended for adults. It contains frequent adult language and situations.

Don't try this at home.

At least not without stretching first.

Maybe keep the sneakers on for traction, too.

This is book one in a series, but each book will be a STANDALONE with a new couple. NO cliffhanger.
