## **Spiraling Webs of Relation: Movements Toward an Indigenist Criticism (Indigenous Peoples and Politics)** Joanne DiNova

This work builds on indigenous theory as evident in the writing of Willie Ermine, Gregory Cajete, Craig Womack, Jace Weaver, Laurie Anne Whitt, Linda Tuhiwai Smith, Voila Cordova, Dennis McPherson, and others. It works towards a criticism that, in accordance with the precepts of such theory, is community-oriented. It argues for an examination of literature in terms of its function for (or against) the community, in the expansive sense of the term.
