Every leader needs threshold abilities to get by at work. But in today's complex business landscape, getting by isn't enough. It's the distinguishing competencies that are crucial for success: elements that you find only in the star performers.

The Executive Edge examines the best practices of top-performing executives, and offers practical guidance for developing the distinguishing competencies that make a leader outstanding. As a collection of Daniel Goleman's in-depth interviews with respected leaders in executive management, organizational research, workplace psychology, negotiation, and senior hiring; it contains the necessary research findings, case studies, and shared industry expertise every motivated leader needs.
