The Great Hunt (The Eurona Duology) Wendy Higgins

Wendy Higgins, the author of the *New York Times* bestselling Sweet Evil series, reimagines a classic Brothers Grimm fairy tale with *The Great Hunt*, a dramatic, romance-filled fantasy with rugged hunters, romantic tension, and a princess willing to risk all to save her kingdom.

When a monstrous beast attacks in Eurona, desperate measures must be taken. The king sends a proclamation to the best and bravest hunters: whoever kills the creature will win the hand of his daughter Princess Aerity as a reward. The princess recognizes her duty but cannot bear the idea of marrying a stranger—she was meant to marry for love—until a brooding local hunter, Paxton Seabolt, catches her attention. And while there's no denying the fiery chemistry between them, Princess Aerity feels that Paxton's mysteriousness is foreboding, maybe even dangerous.

Paxton is not the marrying type. Nor does he care much for spoiled royals and their arcane laws. He is determined to keep his focus on the task at hand—ridding the kingdom of the beast—but the princess continues to surprise him, and the secrets he's buried begin to surface against his wishes.

Thomas Palmer:

Information is provisions for folks to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider while those information which is from the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take The Great Hunt (The Eurona Duology) as your daily resource information.

Mary Varnum:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Great Hunt (The Eurona Duology) can make you sense more interested to read.
