Wall Street and the Bolshevik Revolution: The Remarkable True Story of the American Capitalists Who Financed the Russian Communists Antony C. Sutton

“Sutton comes to conclusions that are uncomfortable for many businessmen and economists. For this reason, his work tends to be either dismissed out of hand as ‘extreme’ or, more often, simply ignored.” **Richard Pipes**, Baird Professor Emeritus of History, Harvard University (from *Survival Is Not Enough: Soviet Realities and America's Future*)

Why did the 1917 American Red Cross Mission to Russia include more financiers than medical doctors? Rather than caring for the victims of war and revolution, its members seemed more intent on negotiating contracts with the Kerensky government and, subsequently, the Bolshevik regime.

In a courageous investigation, Antony Sutton establishes tangible historical links between Russian communists and US capitalists. Drawing on US state department files, personal papers of key Wall Street figures, biographies, and conventional histories, Sutton reveals:

- The role of Morgan banking executives in funneling illegal Bolshevik gold into the US.
- The co-option of the American Red Cross by powerful Wall Street forces.
- The intervention by Wall Street sources to free the Marxist revolutionary Leon Trotsky, whose aim was to topple the Russian government.
- The deals made by major corporations to capture the huge Russian market a decade and a half before the US recognized the Soviet regime.
- The secret sponsoring of Communism by leading businessmen, who publicly championed free enterprise.

Wall Street and the Bolshevik Revolution traces the foundations of Western funding of the Soviet Union. Dispassionately, and with overwhelming documentation, the author details a crucial phase in the establishment of Communist Russia.

This classic study first published in 1974 and part of a key trilogy is reproduced here in its original form. The other volumes in this trilogy are *Wall Street and the Rise of Hitler* and *Wall Street and FDR*.

Let's try to choose suitable ways for you.

Raymond Jackson:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to

generally there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Wall Street and the Bolshevik Revolution: The Remarkable True Story of the American Capitalists Who Financed the Russian Communists can make you experience more interested to read.
