## **40 Mornings with John the Apostle: A Devotional Commentary on Revelation 1-5** Edd Breeden

The Book of Revelation has caused many to run in fear and others to avoid reading these pages of Scripture altogether. When I teach this subject, usually half of the class will let me know they have never studied this content before because of some fear of what they might find or not understand. I will tell you right up front that I do not have all the answers to the meaning of this book of the Bible. Its contents have stumped the scholars for years and many commentaries have been written with a divergent of interpretations. This commentary on the first five chapters of the Book of Revelation divides into 40 short devotionals. You will gain insight into John's circumstances as he writes, his vision of heaven, and his first direct encounter with the Jesus Christ the risen King. You will have a chance to explore the meaning of Jesus' message to seven different churches and the impact of those messages to the church of the twenty first century. And you will see the very throne room of God and experience the ongoing worship and praise of being in the presence of Almighty God. Here you will find insight into the possible meanings of John's vision as well as understanding of God's working in your daily life. To have knowledge of just what the Bible says would be insufficient. Even to know what some of the parts of the Bible mean, although helpful, would still only give you added head knowledge. My desire for all who read these words would be an increase in your love for God and a desire to improve your loving actions toward others around you.
