Chai the Samurai is a modernized version of Jack and the Beanstalk that takes place in a fictional Japan and involves Samurai warriors, dragons, a chipmunk, and magical acorns. It is an inspirational story about overcoming evil and difficulties while increasing younger students' vocabulary and introducing them to a few Japanese words and numbers, which are in bold for convenience and emphasis; their pronunciation and definitions are included at the end of the book along with recommended web sites.

Ten home school students, Kayla Ates, Chelsea Baranski, Madeline Edwards, Micah Edwards, Jarrod Hamm, Victoria Herring, Ben Johnson, Joshua Johnson, Kenny Leon and Kristen Power, created this story with their writing teacher and author, Giselle Ates, during their TESA creative writing classes in January and February of 2008.

From reader reviews:

Linda Enders:

Have you spare time to get a day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent their very own spare time to take a walk, shopping, or went to the particular Mall. How about open or perhaps read a book called Chai the Samurai? Maybe it is to be best activity for you. You understand beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with its opinion or you have additional opinion?

Serina Horne:

Playing with family within a park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Chai the Samurai, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't obtain it, oh come on its referred to as reading friends.

France Brown:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book has been rare? Why so many question for the book? But any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and Chai the Samurai as well as others sources were given expertise for you. After you know how the fantastic a book, you feel wish to read more and more. Science guide was created for teacher or perhaps students especially. Those guides are helping them to increase their knowledge. In other case, beside science guide, any other book likes Chai the Samurai to make your spare time much more colorful. Many types of book like this.

Kenneth Lambert:

A lot of book has printed but it is unique. You can get it by web on social media. You can choose the very best book for you, science, comedy, novel, or whatever by searching from it. It is called of book Chai the Samurai. You can include your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make a person happier to read. It is most essential that, you must aware about publication. It can bring you from one location to other place.
