Samantha Hughes has one day to escape from her wicked uncle, and a sign in the post office is her answer. She'll cut her hair to pose as a man and become Sam Hughes, a Pony Express rider.

Valerian Fitzpatrick doesn't want the weight of responsibility that his brothers have in the family business. Fortunately, the Pony Express offers a chance to make his own way in the world.

He assumes his new buddy, Sam, is on the run from the law, until she's hit by a stray gunshot and he has to undress her to staunch the wound. Friendship quickly turns to attraction - and more - but when Sam's uncle tracks her down, she is forced to run yet again.

Val's determined to find her, but will a future with Sam mean giving up the freedom he's always craved?
