Little White Dogs Can't Jump Bruce Whatley

My Dog Smudge, has got really short legs. Which makes it very difficult for him to jump.

Smudge and his family have a problem to solve-Smudge's legs are so short that he can't jump into the car. One of the children in the family devises a series of ingenious ways of getting Smudge into the car, but none of them work. Who can solve the problem?

Beautifully illustrated, with an endearing main character, this book is a great tool for teaching children how to overcome obstacles. With Whatley's wry sense of humour this book will surely appeal to adults as well.

"By setting this concept within such a familiar tale heightens the artifice, Whatley â€¦ allows children to explore it on one level while enjoying a fractured fairy tale on another â€¦ a sophisticated concept." *Kirkus Reviews for Wait! No Paint!*

Bruce Whatley, the author of *I Wanna Be Famous* and *Wait! No Paint!*, has teamed up with Rosie Smith to create another wonderful dog story that follows on from *The Ugliest Dog in the World* and *That Magnetic Dog*. Bruce is well known for his successful children's books which are published both in Australia and the United States.
