Living Between the Ditches: When God Makes No Sense Betty J. Hassler

Most of us love simplicity and hate complexity. We feel better sticking hard-to-understand things into easily understandable boxes. Unfortunately, this human inclination usually produces more confusion than clarity. Dr. Betty Hassler helps us counter our natural tendencies to do that with God. By oversimplifying Him, we misunderstand Him. And that makes life tougher for us. She helps us turn the focus knob to bring God into clearer view. I highly recommend this book to pastors helping church members, to counselors helping clients, or to anyone seeking a better understanding of who God is and how He works.

Dr. Alan Godwin, author of *How to Solve Your People Problems*, clinical psychologist, Nashville, TN
