A new, sweet, clean, historical western Mail Order Brides series - Mail Order Brides for the Reed Boys! Your heart will be warmed as you meet and get to know the four Reed brothers: Beau, Carter, Nick and Finn. Finn, the well-meaning prankster brother plays matchmaker for each of his older brothers, and he receives a surprise himself in the last book! Join along with the brothers as they each step into their new destiny, each walking out their times of trial and joy and their need to trust God.

In this second book of the series, Finn is at it again! But this time he orders not one potential bride for his unsuspecting brother, but three! (He has a very special reason, of course.) All three girls meet each other on the train and discover they are each to be a bride to Carter Reed. Carter insists all three will be sent back home after he finally agrees to a trial period, but of course as fate will have it, he'll choose one. What causes him to make his choice? And what is to become of the other two potential brides?
