The Mystic Tarot and the Trees of Eternity

Oliver St. John

The Mystic Tarot and the Trees of Eternity Oliver St. John

The Mystic Tarot and the Trees of Eternity is an advanced, visionary treatise on the Tarot. Each of the twenty-two chapters is divided into two sections, the Light-path and the Night-path, and is headed by a luminous commentary on the relevant Qabalistic text from the Sepher Yetzirah. The methods include Theurgic, Goetic and Enochian magick. Following Tantrik tradition, the book's narrative is centred on the 'Island' to the west of St. Ives in Cornwall. The book thus has a distinctly elemental nature, reflective of changing weather and seasons as focussed through the lens of Tarot and Tree of Life correspondences. The book embraces the work of Aleister Crowley as well as the Nightside or Typhonian conjurations of Kenneth Grant, providing rare insights into the interior magical worlds of Thelema.
