## **Aliens Omnibus, Vol. 1** Mark Verheiden

Dark Horse Comics took the industry by storm with its release of Aliens, a comics series that for the first time captured the power of film source material and expanded its universe in a way that fans applauded worldwide. Now, the first three Dark Horse Aliens series — Outbreak, Nightmare Asylum and Female War — are collected in a value-priced, quality-format omnibus, featuring nearly 400 story pages in full color. Written by screen and television scribe Mark Verheiden (The Mask, Battlsestar Gallactica) and illustrated with consummate skill by Mark A. Nelson, Den Beauvais and Sam Kieth, Aliens Omnibus Volume 1 is an essential piece of the Aliens mythos and a great entry point into the storied Dark Horse Aliens library.
