Antigone

Sophocles

Antigone Sophocles

The curse placed on Oedipus lingers and haunts a younger generation in this new and brilliant translation of Sophocles' classic drama. The daughter of Oedipus and Jocasta, Antigone is an unconventional heroine who pits her beliefs against the King of Thebes in a bloody test of wills that leaves few unharmed. Emotions fly as she challenges the king for the right to bury her own brother. Determined but doomed, Antigone shows her inner strength throughout the play.

Antigone raises issues of law and morality that are just as relevant today as they were more than two thousand years ago. Whether this is your first reading or your twentieth, Antigone will move you as few pieces of literature can.

To make this quintessential Greek drama more accessible to the modern reader, the Prestwick House Literary Touchstone Classics edition of *Antigone* includes a glossary of difficult terms, a list of vocabulary words, and convenient sidebar notes.

From reader reviews:

Bobby Griffin:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what type you should start with. This Antigone is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Alberto Benson:

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write on their book. One of them is this Antigone.

Joseph Wood:

Your reading 6th sense will not betray anyone, why because this Antigone e-book written by well-known writer who really knows well how to make book that may be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still skepticism Antigone as good book not just by the cover but also with the content. This is one guide that can break don't judge book by its deal with, so do you still needing one more sixth sense to pick that!? Oh come on your reading sixth sense already alerted you so why you have to listening to yet another sixth sense.

Dennis Jenkins:

Are you kind of occupied person, only have 10 or even 15 minute in your morning to upgrading your mind ability or thinking skill also analytical thinking? Then you are experiencing problem with the book than can satisfy your short time to read it because this time you only find publication that need more time to be study. Antigone can be your answer given it can be read by you who have those short spare time problems.
